To X-Treme Threads

We wanted to take the opportunity to send a thank you to Connor Clough and X-Treme Threads. X-Treme Threads has been a supplier and supporter of the Coquitlam Sr. A Adanacs Lacrosse Club for the past 4 seasons.

We are very happy with the service we have received from Connor and X-Treme Threads over the years. Their attention to detail on design and suggestions of changes to formats or ideas are an extra value you don't usually receive.

X-Treme has consistently delivered an excellent quality product year over year, and has delivered on time.

We highly recommend working with X-Treme Threads.
