To whom it may concern:

The Langley Thunder organization has used Randy and Connor Clough at Xtreme Threads for the apparel and equipment bags for the 90+ Players that play on our WLA Thunder, BCJALL Thunder and Jr. B Tier 1 Thunder teams. In the 8 years of doing business with Xtreme Treads the orders have arrived as promised and the quality of the product better than the stuff we get from other suppliers. The feedback from the Players has been very positive.
