To X-Treme Threads:

Words cannot describe how incredibly satisfied I am with my experience and dealings with X-Treme Threads over the past few years. They have exceeded all our expectations by not only creating two exceptional uniform designs (for Field and Box Lacrosse) but also a complete clothing line that complimented the look of our players both on and off the field.

I have received numerous compliments on each of the jerseys Connor has designed for us and I can honestly say that he has consistently gone above and beyond to make sure that I was happy and satisfied with the end product. I found Connor was always easy to deal with, was a good communicator and his customer service was excellent regardless of how many changes I wanted to make to the design.

Reflecting back, I realize that I was often a difficult customer to deal with and I had high expectations from Day 1 but X-treme delivered on each and every order both on time and on budget. Initially I sourced out pricing from many other suppliers but soon realized that X-treme Threads' pricing was tough to beat! It an easy choice!

Thanks Connor!
