Connor Clough and X-Treme Threads

Dear Connor,

I am writing this letter to thank you for the exceptional service and quality of the Jersey's, shorts and shirts we have purchased from X-Treme for several years now. I want to thank you for paying extra attention to the reproduction of our logo.

Keep up the great work and keep the product up to the standards you have set so far.

I highly recommend you and X-Treme to anyone.

Best regards

Reg Thompson
